ADDITIONAL DISCLOSURES

There is no guarantee the Ranger Small Cap Fund will achieve its investment objectives.

Before investing you should carefully consider the Ranger Small Cap Fund's investment objectives, risks, charges and expenses. This and other information is available in the Prospectus, a copy of which may be obtained on-line at www.spendlifewiselyfunds.com, by emailing info@spendlifewiselyfunds.com, or by calling (214) 871-5200. We encourage you to read the Prospectus carefully before you invest.

An investment in the Fund involves risk, including the possible loss of investment capital. Additional risks associated with the Fund include, but are not limited to:

Small Cap Company Risk; Equity Market Risk. Equity markets can be volatile and the prices of common stocks can fluctuate significantly. In addition, the Fund portfolio invests in small capitalization companies, which may be subject to more abrupt or erratic market movements than those of larger, more established companies.

Liquidity Risk. Some small cap securities may have few market-makers and low trading volume, which can increase transaction costs and may make it difficult or impossible for the Fund to dispose of a security position at all or at a price which represents current or fair market value.

A number of other risks are associated with an investment in the Fund, including: issuer specific risks, risks associated with the Investment Manager's judgment, and risks associated with the turnover of the Fund's portfolio. **Greater detail on each of the above stated risks may be found in the fund's prospectus.**

The Ranger Small Cap Fund holdings and sector weightings presented herein are subject to change at any time and are not recommendations to buy or sell any securities. The Russell 2000® Growth Index is constructed to provide a comprehensive and unbiased barometer for the small-cap growth segment. The Index is completely reconstituted annually to ensure larger stocks do not distort the performance and characteristics of the true small-cap opportunity set and that the represented companies continue to reflect growth characteristics. The Russell 2000® Growth Index (the "Index") is presented for illustration purposes only for the convenience of the reader. The Index is not actively managed nor can you invest in the Index. The holdings of the Ranger Small Cap Fund differ significantly from the securities represented in the Index. Accordingly, comparing or contrasting the results of the Ranger Small Cap Fund to the results of the Index may be of limited use.

An "industry" is a major grouping of sectors that share common operating characteristics based on their principal business. For example, the Industry Classification Benchmark (ICB) framework includes the Health Care Providers sector, the Medical Equipment and Services sector, and the Pharmaceuticals and Biotechnology sector within its classification of the Health Care industry.

The Ranger Small Cap Fund is distributed by Arbor Court Capital, LLC member FINRA/SIPC.
